December 2009

Dear Parent(s)/Guardian:

The Program of Studies Update is being distributed to students on January 6, 2010 so that they may select courses for the 2010-11 school year. Cranford High School allows each student a maximum amount of freedom in selecting courses. We encourage you to take an active role in the scheduling process. If you would like to sit in with your child to schedule, please call your child's guidance counselor at the number listed above. If not, please ask your child to review the book and help him/her to make choices. Again this year, students' course selections will be done via PowerSchool. Please review your child's selections and call us if a change needs to be discussed.

The schedule for course selection for the 2010-11 school year is as follows:

Sincerely,

George A. Huff
